

# **Mr. Figure\$**

## ***Financial Literacy Musical***

### **Supply And Demand (Think To Yourself)(Ken)**

What did Ken Learn from Mr.Figure\$ during their conversation?

1. Ken learned that when he takes Mr.Figure\$ financial literacy program he will understand why people teach financial literacy.

**1.1. Think to yourself, do you understand why I'm teaching you about financial literacy?**

2. Ken learned that it is great that he want more to achieve his goals and that hard work and dedication and being consistent by supplying the demand of his service or product would give him the money and opportunity to invest into different outlets of his choice for his reasons.

**2.2. Think to yourself, what is your ultimate goal in life & are you going to take the steps to get there? Do you want more out of your life?**

**END OF Supply And Demand (Think To Yourself)(Ken)**
