

Mr. Figure\$

Financial Literacy Musical

Marketing (Think To Yourself)(Ken)

What did Ken Learn from Mr.Figure\$ during their conversation?

1. Ken learned after listening to the song Overcoming obstacles that he don't have that many liabilities to get rid of and he don't have any bills to pay or loans to pay off, so he is able to save his money to eat, exercise, and play basketball everyday while he save to invest. He says he have family support but not financially and he has friends who enjoy sports like he do so he has a positive support of people around him including Mr.Figure\$.

1.1. Think to yourself, are you able to get rid of some or all your liabilities & do you have positive people around you who support you?

2. Ken learned about the teen job assistance program and went to apply at the front desk.

2.2. Think to yourself, have you ever got told some great information about a job lead? Did you check it out? Are you currently looking for a job now?

3. Ken learned where his dad can go purchase Mr.Figure\$ financial literacy cd.

3.3. Think to yourself, have you introduce someone to something that worked out for you so you had to tell someone else to check it out for themselves? If you like what I'm teaching you, tell your family and friends about my workshops so that I can teach them about financial literacy as well.

END OF Marketing (Think To Yourself)(Ken)

Mr. Figure\$

Financial Literacy Musical

Marketing (Think To Yourself)(Mr.Figure\$)

What did Mr.Figure\$ Learn from Ken during their conversation?

1. That Ken got accepted to work part-time in an educational environment working around art and the orientation is on a Friday and he have to bring his dad to the orientation get permission to work so he can save and invest into his business so that he can have his family & friends buy his product.

1.1. Would you or do you include your parents in the opportunities you learn about? Are you ready to get started on your journey or have you already started with or without help?
