## ***Financial Literacy Musical***

### **Financial Literacy (Think To Yourself)(Ken)**

What did Ken Learn from Mr.Figure\$ during their conversation?

1. Ken learns that taking the steps to working a job to invest is a great idea to get cash flow because that's his only option right now of bringing in money.
  - 1.1. Think to yourself, have you ever worked for money or had the thought to work for money and you didn't actually feel inspired to continue working for money or to go look for a job because of low wage or long work hours or the physical demand on your body was beating you up or your boss was rude or your co-workers was mean or someone you know is making more money working for themselves and you don't see how a job would help you but a job is your only option of bringing in money but you quit working or stopped looking for a job and made bad investments with your time & money when you could of worked a job and saved to invest into your idea within 2 to 5 years? If so, how did that impact your life?
2. Ken has learned that understanding financial literacy has helped him organized his journey to wealth.
  - 2.2 Think to yourself, now that you know your assets and your liabilities, do you feel you could organize your path to success by taking the necessary steps to achieving your goals and not allowing liabilities to get in your way or make a huge impact in your life?
3. Ken has learned that is a great idea that he want share and teach financial literacy to his friends & family?
  - 3.3. Think to yourself, now that you know about financial literacy, would you introduce financial literacy to your friends & family?

### Financial Literacy (Think To Yourself)(Mr.Figure\$)

What did Mr.Figure\$ Learn from Ken during their conversation?

1. That Ken was confused because he wants to be rich but he learned that the rich don't work for money and he don't have money and he have to find a job to make money.

1.1. Think to yourself, have you ever been anxious to get something done right away instead of giving it the proper time it needed to be completed so you ignored most of the steps or the only step available for it to get it done and it didn't turn out right or it was a complete failure because you rushed? If so, how did that impact your life?

2. That Ken can see him self-working and saving then investing and learning more about financial Literacy.

2.2. Think to yourself, if working a job is your only option to making money to save then invest, would you do so until you reach your saving goal for investing while you continue to learn more about how money works?
