

Mr. Figure\$

Financial Literacy Musical

Budget (Think To Yourself)(Ken)

What did Ken Learn from Mr.Figure\$ during their conversation?

1. Ken learned that after listening to the song work until you learn don't work for money that his drive to save & invest into his idea makes him want to work a job even more. He said he will work and save for 5 to 10 years then he will make an investment.

1.1. Think to yourself, have you ever been inspired by what someone accomplished and you felt that if they can do it, you can to? How many people in your family you see working hard for their money and you see the nice things they buy themselves?

2. Ken learned that there are jobs for teens but you must search and ask around for them.

2.2. Think to yourself, when was the last time you ask for your parents to give you allowances to do work around the house or asked mentors do they know where you can find employment? There are opportunities, you have to stay dedicated and determined to find work and keep asking until you get an answer that you can follow up on so that you can overcome the obstacle of being unemployed.
